February 2008

We are putting the finishing touches on our plans to welcome you to the 20th Anniversary of the Sugar Valley Rally. The rally will be held on **June 6, 7, & 8, 2008** -- three days of fun and friendly competition. Our Rally Committee has worked hard to put together the BEST rally yet.

Our biggest change this year is signing on with Vintage Car Rally Association to sanction our event. This means some changes in the way the instructions read compared to previous years, so it is advisable to attend the rally school on Friday morning, before the beginning of the Trophy Run. The Friday Trophy Run will be somewhat shorter due to changes that will be identified at the rally school. We will be paying leg money for that day, but it will not be factored into your overall score for Saturday and Sunday.

Another change will be the factoring. We will be using VCRA factoring which is age factoring and an additional factor for being stock as produced. **Make sure you read the event regulations when you receive them in May.** Further information on factoring can be found at www.vintagecarrally.com/regulations.html in Section 9G.

VEHICLE ELIGIBILITY: Any antique motor vehicle manufactured prior to 1958 is eligible to enter, providing the vehicle is as originally manufactured and/or modified by products available in the same year of manufacture. Exceptions may be made for safety improvements such as lights, turn signals, brakes, safety glass, etc. *If you have any questions or are not sure about your vehicle's authenticity, please contact Ray Palser at the above numbers or e-mail him at raypalser@yahoo.com.*

NEW THIS YEAR!!! The Rally Committee has had numerous requests to add a "Touring Class" to our event for those wanting to "get a feel" for the rally or just run the routes to decide if they want to enter next year. We have added the "Touring Class" for **ALL** makes and models. This class will be scored, but will not compete with the Rally's Limited and Unlimited classes. **Prize money will not be awarded.** The fee for the "Touring Class" will be \$125.00 which allows all pit stops, lunch breaks, banquet tickets and other amenities offered to our Rally competitors. All regulations (with the exception of standard equipment) and inspection of vehicles apply. Participants will start the race immediately following the Rally's Unlimited and Limited classes.

A REMINDER: Inspection of vehicles participating in the rally will be **Thursday, June 5th, 5:00 p.m.** at the Western Nebraska Community College Auto Tech Building. If you are unable to have your vehicle inspected at the regular Thursday inspection time, please call SVR at 308-632-3381 or the toll free number of 877-632-3381 to make an appointment for an inspection time on Friday, June 6th.

There will be inside storage available for 25 cars at the WNCC Auto Tech Building. The cost is \$25.00 per car and the fee includes all three nights. RV parking is also available in the parking lot at WNCC. There are no services available, but it is FREE!

February 2008

Page 2

Please take the time to fill out **ALL** forms **completely** and **attach your entry fee**. Your application will be accepted only after all requested information is supplied and the entry fee received. Your check should include the total costs (see entry form) and be made out to Sugar Valley Rally. **Insurance forms for each competing vehicle need to be in Sugar Valley Rally's possession prior to Midnight on May 15, 2008.** The forms should consist of the Declarations Page or Certificate of Insurance showing coverage dates and limits of liability. In addition, an insurance ID card, state vehicle registration, and a valid driver's license will be required at the time of inspection.

PRO CLASS REQUIREMENTS: The mandatory requirements for being in Pro Class both in the Limited or Unlimited Division are: (1) If you were a previous 1st place overall winner of the Sugar Valley Rally and/or (2) If you are considered by Rally Partners Inc. to be in the Expert Division or better. In either case, you have to run in pro class. All others have the choice of which class they want to run in depending on the age of their vehicle.

All entered vehicles are sponsored by major sponsors and area businesses and will carry magnetic door signs provided by the Sugar Valley Rally Committee. Your car number will be printed on this sign. We have lined up some additional sponsors so we can provide you with what we think are some really unique gifts in honor of our 20th year.

PHOTOS AND BIOGRAPHIES: This year we have added a Biography questionnaire. Please take a few moments to answer the questions so we can have accurate and interesting information for our publicity and advertising. We are also asking for current photos of your vehicle so we can include them in the flyer that is published just prior to the Rally. Your photos will not be returned, but remain the property of the SVR Committee.

Once our schedule of events is finalized, it will be posted on our website at www.sugarvalleyrally.com. You will also receive a schedule of events when we mail the regulation packets in May. If you know someone who might be interested in participating in the rally, feel free to direct them to our website where they can download entry forms and review additional information about the rally.

Make plans now to enter the Sugar Valley Rally and be a part of one of the more enjoyable and challenging rallies we have had in a long time. We look forward to a great weekend of hosting you, your family and your friends. Sign up today, so you can experience a fun-filled weekend!

Sugar Valley Rally Chairman

A handwritten signature in black ink that reads "Stuart Tritt". The signature is written in a cursive style with a horizontal line above the name.

Sugar Valley Rally, June 6, 7, 8, 2008
Entry Application Form
Entry Deadline is May 15, 2008
